RUTH'S CHRIS STEAK HOUSE

Whether you are in the mood for a quick snack or a leisurely dining experience we offer a variety of settings. To complement the upscale environment found throughout our hotel, our onsite dining option is Ruth's Chris Restaurant. This is the place that showed the world how great a steak can be. Carefully selected and aged for tenderness. Cut thick to ensure juiciness. Seared to perfection at 1800 degrees. Seasoned simply with salt, black pepper and a touch of parsley, because a steak like this needs nothing else. Topped with fresh butter that sizzles seductively on your plate, announcing the arrival of a great steak. And there's more than great steak on the menu. The veal and lamb are delicious too. There's no better catch than the salmon filet, grilled tuna or live Maine lobster. The salads, vegetables, potatoes, are prepared fresh to order and served in portions generous enough to share. Even if you intend to try many of the local restaurants, you may find yourself eating a lot of meals at this hotel in Ruth's Chris Steak House. Where would life be without desserts? They are the perfect hedonistic end to any great meal. Spectacular selection of desserts from the extravagant, to the to-die-for variety. Desserts are also a great way to celebrate - a birthday, an anniversary, reaching the top of a peak, a change in the weather, anything. Some of our best "Sweet Dreams Desserts" selections are: WARM APPLE CRUMB TART Granny Smith apples baked in a flaky pastry with streusel crust and vanilla bean ice cream. CHOCOLATE MOUSSE CHEESECAKE Light and airy on a chocolate MOUSSE crust. BREAD PUDDING WITH WHISKEY SAUCE Our definitive version of a traditional New Orleans favorite. . . . and much much more!
